AQUAVIT SPIRITS

The specific herbs and spices used to flavour aquavit are determined by local preference and cuisine.

Danish aquavit leans heavier on dill, coriander and caraway. Swedish aquavit features more anise and fennel flavours. Norwegian aquavit is more barrel-aged with diverse aromatics like cumin and citrus peel.

At Aquavit London you can find one of the largest aquavit selections in the UK. Enjoy your snaps as an aperitif, to your dinner or perhaps try one of our unique aquavit house cocktails created by our amazing bar team who can tell you more about our water of life!
